# Autumn 2016 CURRICULUM CLASS: **Cherry**

**TEACHER: MARIA ALMEIDA**

Hello everyone! This is the new Cherry Class, in a new room with a different teacher. You are welcome to visit it! At this moment, we are learning new routines, organising the space and working around the theme "Travelling".

The pupils are enjoying the lessons and working well together. For example, they have been really involved with "Horrid Henry and the Mega – Mean Time Machine" and they have also created their own time capsule. In Maths, students are sharing their choices/ likes or dislikes in order to create lovely graphs (statistics).

A big "*Thank You*" to the two Portuguese teachers ("Maria 2" and Anabela) that came to work and learn with us for the first two weeks (Erasmus+ Project).
